

WHEN THE SON OF MAN IS REVEALED

Luke 17:20–37

Key Verse: 17:30

1. What do the Pharisees ask Jesus, and why (20a)? How does Jesus answer them, and what does this mean to us (20b–21)?
2. To whom does Jesus speak next, what does he mean, and why does he say this (22)? How does he warn them (23)? What point is he making in verse 24? What does he add, and why (25)?
3. What were the days of Noah and the days of Lot like (26–29)? How do both those events point to the day of the Son of Man (30)? In light of that day, what warnings does Jesus give (31–33)? How do his words still apply to us?
4. How else does Jesus warn his disciples, and what does this mean (34–35)? How do his final words add to what day will be like (37)?
