

JESUS FREES A WOMAN

Luke 13:10–21

Key Verse: 13:16

1. What is the circumstance (10)? Who is introduced, how is she described, and how might this condition have affected her life (11)?
2. When he sees her, what does Jesus immediately do and say (12–13), and what does this show us about him? What can we learn from the woman's response (13b)?
3. Who else is introduced, what is he thinking, and what does he say (14)? Why do you think he responds like this?
4. What comparison does Jesus make, what is he teaching, and why is this so important here (15–16)? Why does he call this woman "a daughter of Abraham"? What should disciples of Jesus learn from this incident? How is people's response described (17)?
5. What does Jesus say next (18)? What is a mustard seed like, what happens when it is planted, and what does this tell us about God's kingdom (19)? How is the impact of heaven described (20–21)? What does Jesus want us to learn here?
