

TURN FROM WORTHLESS THINGS TO THE LIVING GOD

Acts 14:1-28

Key Verse: 14:15b

1. Read verses 1-7. Why did Paul and Barnabas go to Iconium? (13:49-52) Where did they begin their ministry and what happened? What did they do? How did God work? Why did they leave?
2. Read verses 8-10. What happened in Lystra? How is this similar to Peter's ministry in Jerusalem? Read verses 11-13. What was the result of this healing miracle? How was the Gentile response different from the Jewish response? Why?
3. Read verses 14-18. How did the apostles handle their unexpected popularity? What did they teach? How is this different from the sermon in Antioch? What was the result? Read verses 19-20. Why and how did the situation change? How did Paul show his resurrection faith?
4. Read verses 21-23. Where did they preach the gospel next? How did they strengthen the disciples in Lystra, Iconium and Antioch? What can we learn from this?
5. Read verses 24-28. Trace the trip home. Describe their missionary report in Syrian Antioch. What had they learned and what can we learn from this journey?
