

Heavenly Worship  
Revelation 4:1-5:12  
Key Verse: 5:13

1. Read verse 4:1 and 1:1-2. Whose vision was this, through whom was it given and what does it seem to be about?
2. Read verses 2-6a. Who was sitting on the throne? How is his beauty described? Who surrounded the throne? How were they dressed? Who might they represent? What does this teach us about God?
3. Read verses 6b-8. Describe the 4 living creatures who were in the center around the throne. What does it mean that the living creatures had so many eyes? What did they say? What does this teach about God?
4. Read verse 9-11. How did the 4 living creatures lead in worship? How did the 24 elders respond? What is the content of their songs of worship? Why is God alone worthy of our worship? What can we learn here about God?
5. Read chapter 5:1-5. Who is worthy to open the scroll and its seven seals? Why? Read 5:6-10. Who is the Lamb? Who worships him? Why? How? What do the seven horns and seven heads suggest about him?
6. What does the song in verses 9-10 tell us about Christ's redemptive work, God's great world mission purpose and the task he has given his church? Why is this called a new song?
7. Read verses 11-14. Who is worthy to receive the worship of all men and angels and all creation? How should he be worshiped? What can we learn from these chapters about how we must worship God?
