2. In these two chapters, what can we learn about how Jesus relates to his church as a whole? (Consider such things as: his presence, knowing, judgment, reward, etc.)
3. What can we discover about what pleases or displeases Jesus in his church? Why is this important to us today?
4. How would Jesus see the spiritual condition of his church today? What would he commend or rebuke? In light of this study, what prayer topic can you find for his church, locally, nationally and globally?
