

## HE HAS RISEN

Luke 23:50–24:12

Key Verse: 24:6a

1. Who is Joseph, what does he do, and how is he a good role model (50–54)? What do the women from Galilee do, and how do they confirm Jesus' identity and death (55–56)?
2. When they arrive, what do they find, and how do they respond (24:1–4a)? Who do they encounter (4b), what do they ask the women (5), and how can this question help us?
3. Read verse 6a. In what ways are the words "he has risen" good news (Acts 2:26–27; 5:30–32; 26:23)? How should we respond to this good news (Rom.10:9; Acts 16:31)?
4. How do the angels help the women (6b–8; cf. 9:22)? To believe that Jesus has risen, why do we all need to remember the facts, the witnesses and the words?
5. What do the women do (9–10)? How do the apostles respond to them (11), and why? What happens to Peter (12), and what does this tell us?
