

NOAH DID ALL THAT THE LORD COMMANDED HIM

Genesis 6:9–9:29

Key Verse: 7:5

1. How is Noah described, and what does this mean (6:9–10)? In contrast, how did God see “the earth” (11–12)? What did God share with Noah (13)? What did he tell him to do (14–16)? What were the key parts of this “covenant” (17–21)? How did Noah respond, and in what ways would this be hard for him to do (22)?
2. What else did God tell Noah (7:1–4)? How did Noah respond (5)? Find where else this phrase is repeated; why is careful obedience to God so important? What else happened (6–10)? What specifics about the flood are given (11–12)? How did God’s plan become reality (13–16)? What happened while the earth was flooded (17–24)?
3. What was it that made the flood recede (8:1)? How is it described (2–5)? After the end of another forty days, what did Noah learn from the raven and the dove (6–12)? On the first day of his 601st year, what did Noah see and do (13)? When did God tell him to leave the ark (14–16)? What else did God say, and what did Noah do (17–19)?
4. What did Noah do first, and why (20)? How did God respond, and what does it reveal about God and human beings (21–22)? What did God repeat to Noah’s family (9:1,7)? What new order did he establish, and why (2–3)? What did he say about blood, and why is this important (4–6)? What covenant did he make, and why (8–17)?
5. How does the author contrast the sons of Noah, and what happened to them as a result of this incident (18–27)? How is the end of Noah’s life described (28–29)? What can we learn in this lesson about God? What can we learn from Noah’s faith?
